BEFORE THE

## Federal Communications Commission

WASHINGTON, D.C. 20554

RECEIVED

JUN 9 1993

FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

In the Matter of

Amendment of Section 73.202(b)  
Table of Allotments  
FM Broadcast Stations  
(Moberly, Missouri)MM Docket No. 93-99  
RM-8202To: Policy and Rules Division  
Mass Media BureauCOMMENTS

FM 105, Inc. ("Petitioner"), by its attorney, submits these Comments in support of the proposal to substitute FM Channel 288C2 for Channel 288C3 at Moberly, Missouri, and to modify the license of Petitioner's Station KZZT(FM) in Moberly to specify operation on Channel 288C2.<sup>1/</sup> The new Channel may be allotted to Moberly in compliance with the Commission's minimum distance separation requirements at Petitioner's specified site. Further, the channel substitution will enable Station KZZT(FM) to become a needed wide coverage area facility for the rural north central Missouri area.

Petitioner hereby restates its intention to upgrade the facilities of KZZT(FM) promptly upon receipt of the requisite Commission authorization.

<sup>1/</sup> From the Notice of Proposed Rule Making, released April 20, 1993 (DA93-365), it appears that the Chief, Allocations Branch was unaware of the fact that FM 105, Inc. was licensed on November 18, 1992 to operate Station KZZT(FM) on Channel 288C3 (BLH-920506KB).

No. of Copies rec'd  
List A B C D E

In light of the foregoing, Petitioner respectfully requests the Commission to modify the FM Table of Allotments as proposed in MM Docket No. 93-99.

Respectfully submitted,  
FM 105, Inc.

By: John R. Wilner
